CASE AND DIALOGUE

Disagreement over tasks

Session date: 14.10.2026 (UTC)

Test simulation: responses are not from a live model.

Format and difficulty

Conflict + negotiation · Medium

Context

Colleagues discuss an urgent handover. Comments about reliability are putting personal boundaries under pressure.

Your role

Project team member

Conversation partner

Alex · Project colleague

Conflict goal

Discuss disagreement without personal labels or pressure.

Negotiation topic

The deadline, scope and handover of project materials.

Known facts

- The project deadline is the end of this week.
- The remaining workload has not been estimated.
- No additional team member has been assigned.

Full conversation

01 · Partner · Alex

You are leaving this decision to me again. Why should I consider that fair?

02 · Player · You

Let us clarify the conditions and next step.

03 · Partner · Alex

I understand your position. I also need us to consider the impact on my team. I heard: "Let us clarify the conditions and next step.".

04 · Player · You

Let us clarify the conditions and next step.

05 · Partner · Alex

I am willing to discuss this, but I need to understand how your proposal addresses my main concern. I heard: "Let us clarify the conditions and next step.".

06 · Player · You

Let us clarify the conditions and next step.

07 · Partner · Alex

That is more specific. Who will check the result? I heard: "Let us clarify the conditions and next step.".

08 · Player · You

Continue after declining.

09 · Partner · Alex

I can agree to that condition. Let us confirm the next step. I heard: "Continue after declining.".
